

**The Trevor Project  
Youth Advisory Council (YAC)  
2009-2010**

**Application Process:**

Each candidate, and parent/guardian for youth under the age of 18, is required to read the Youth Advisory Council (YAC) Job Description. In addition, they must complete the Application Form and mail it to the Program Intern at [Genevieve.Sublette@TheTrevorProject.org](mailto:Genevieve.Sublette@TheTrevorProject.org) by **January 31, 2010**. After applications are received, phone interviews will be scheduled during the months of January and February. The size of the Trevor YAC team is limited. The Trevor Project is looking for a cross-section representation of LGBTQ youth and straight allies from four geographic regions across the country to comprise the group. The YAC will include 20 members ranging from ages 16-24 attending high school and college.

If selected and under the age of 18, a Permission Form must be completed. To ensure that parent(s) or guardian(s) understand the commitment completely, **The Trevor Project will provide parent(s) or guardian(s) of a YAC member with the option of scheduling a phone meeting with the Program Director.**
