

THE
TREVOR
PROJECT

Become a Champion of The Trevor Project

We want to end LGBTQ youth suicide once
and for all—and we need your help.

Become a Trevor Champion

The Trevor Project collaborates year-round with companies large and small on external marketing campaigns, employee education and volunteerism, and programmatic support. We've seen amazing success in helping our corporate partners increase their brand value, engage their employees, and further Diversity & Inclusion goals—all while helping Trevor save more young LGBTQ lives.

Our Official Corporate Partnerships begin at the [\\$25,000 donation level](#). If this commitment is not possible for your business, we would be honored to have you join us as a Trevor Champion! As a Trevor Champion, you're more than a donor. **You're an ambassador for change in a movement to save young LGBTQ lives.**

Fund Innovation

Help us save young LGBTQ lives via direct investment in our mission. Once you've made your donation, you'll receive a limited license to announce your support to your audience. For support in making and publicizing your gift, contact Development@TheTrevorProject.org.

Want to donate a percentage of product proceeds or invite customers to round up at checkout? Our Trevor Champions are not authorized to run these types of cause marketing campaigns, but they are available to our Official Corporate Partners beginning at minimum contribution of \$25,000!
